HEALTH BENEFITS CERTIFICATE OF COVERAGE

****IMPORTANT**** This certificate provides evidence of your prior insurance coverage. You may need to furnish this certificate if you become eligible under a group plan that excludes coverage for certain conditions that you have before you enroll. This certificate may need to be provided if medical advice, diagnosis, care, or treatment was recommended or received for a condition (mental or physical) within in a 6-month period ending on the effective date of coverage in your new group health plan, or the date of full-time employment if a new employee. If you become eligible for another group insurance plan, check with the plan administrator to see if you need to provide a copy of this certificate of coverage. You may also need this certificate to buy, for yourself or members of your family, an insurance policy that does not exclude coverage for conditions that are present before you enroll.
